Explore the Grube Wenzel Mine!

Visit the **Grube Wenzel silver mine in Oberwolfach** and discover a **Black Forest tradition** dating back centuries.

Visitors of all ages can gain a unique insight into this historical mine and its extensive network of tunnels.

Expert mine guides will point out the tracks of older and more recent mining and talk about modern-day mining in the Grube Clara in Oberwolfach.

An exciting experience.
Great fun for all ages!

Hunt for buried treasure!

Equipped with a miner's helmet, lamp, boots and jacket, explorers will set off into the depths of the mine, with its vast galleries and rich treasures to explore.

Discover in the mine:

- The history of mining with hammer and pick (16th century)
- The history of mining using gunpowder (18th/19th century)
- Surface shaft and fault zone
- The white, silver-bearing barite veins
- Mining of silver and copper ores
- Drusen, a mine trolley and winches

And for the last stop of the tour, wash your boots in the well just like miners have done for centuries.
